Site Infos

General

All content of this site is licensed under a Creative Commons Licence unless stated otherwise. If you use content of this site provide a link back to this site as the source.

I don't take responsibility for the content of any site I link to from this site. If you see any illegal material on any sites I link to please inform me so that I may remove the link.

Any Information Information on this site is provided “as is”. Any express or implied warranties, included, but not limited to, the implied warranties of merchantibility and fitness for a particular purpose are disclaimed. In no event shall the author or contributors be liable for any consequental damages arising in any way out of the use of information on this side or software provided here, even if advised of the possibility of such damage.

Usage Statistics and User Tracking

User information is only collected in webserverlogfiles. All recorded IPs will be anonymized while logs are rotated.

Comments

This site gives users the ability to post comments. For all comments posted here the following Conditions apply:

You are legally liable for the content of your comments. By submitting comments to this site you warrant that the site owner is not responsible or liable for any of the content you posted. Furthermore you grant the right that the site owner or site administrators may make edits or remove your comment or disable the comment function completely as they see fit.

Mail-Adress	wiki@eanderalx.org
Jabber	eanderalx@seiichiro0185.org

Software

- My homepage is based on Dokuwiki and is running on Apache 2.X.
  - The access logs are anonymized after 7 days while rotating.
- My Dokuwiki template is a modified version of new standard template with some ideas from the 20cones template.

Hardware

- The vserver on which this homepage is running is hosted by Linode.
